AUCTRIA

From the first donation to the last receipt and all the fundraising in between

1 Plan

After setting up your organization and adding a few team members, create dedicated event website.

- Solicit for auction donations
- Sell and manage tickets, tables & sponsorships
- Auctria Assist video calls

2 Run

Running the event is streamlined for all types of events.

- In person events: print catalog, bid sheets, display pages with QR codes
- Branded website for your event
- Online events: boost income with max-bid and bid-extension

3 Close

Final bids and collections are recorded via dashboard or online, then bidders self pay or the admin can batch close out.

- Send automated system emails for: final bid notifications, bidder statements, donor receipts
- Download reports
- G Pay Pay available
